How to Use These Worksheets

1. Look at the letter

Show your child the big letter at the top of each page.

2. Trace the dotted letter

Help them trace the gray dotted letter slowly with a pencil.

3. Practice on lines

Encourage them to write the letter on the practice lines below.

4. Say the word

Say the example word out loud together — e.g., "■ for ■■■■!"

5. Praise progress

Celebrate every attempt — neat writing comes with practice!

PARENT TIP

- Practice 10-15 minutes a day, not all 13 letters at once.
- Use a pencil first, then color pencils for fun variations.
- Review each completed page before moving to the next letter.
